Our pick of the record-setting Charlo x SAV Blackcap May 4136 flush at SAV.

Outcross allure from his sire combined with perhaps the greatest living maternal matron in the breed.

Raindance is fluid-moving, strong-topped, big-hipped, wide chested and extremely smooth through the shoulder.

PVF Surveillance 4129
AAA +17954726

Perfect mating for relatives of First Class, Lutton, Style and others.

One of the top phenotype bulls ever produced at Prairie View Farms.

Surveillance is the next go-to sire for elite show heifers!

SexedULTRA
High Fertility Sex Sorted Semen

Ellingson Homestead 6030
AAA 18543019

Homestead was one of the gems of the 2017 sale season and the high-selling bull at Ellingson Angus.

Homestead is a long-bodied, wide-based bull that improves upon his outcross sire, Remedy, for scrotal.

He is sure to be a cattleman’s dream for his calving ease, maternal pedigree, mating flexibility & conformation.

Sydgen Supreme 6256
AAA +18646708

A bull that checks every box for phenotype, pedigree, performance and genomic merit.

His EPD profile reveals a bull that is unmatched in the Angus breed for his combo of CED, WW, YW, MARB & RE.

From an impressive cow family & grandam who resides in the donor pen at Express Ranches.

McCumber Steadfast 635
AAA 18532396

You will want to keep every heifer calf from this double-bred Miss Wix maternal powerhouse.

Steadfast is backed by 15 pathfinders in his 4 generation pedigree, with fertility & udders a hallmark.

Thick, masculine & correct-footed, Steadfast smoked his contemporaries for performance & weaned off at 920 lbs.
